

MICHELIN® Pilot® MXM4®

Luxury and Performance Year-Round. These tires help deliver a balance of sport handling and ride quality with all-season traction.

Feel Every Curve. A European handling profile, featuring a rounder shoulder, is designed to provide progressive, predictable cornering — letting you push your vehicle to the edges of its performance capabilities.

Euro-Handling

Confident Wet-Weather Handling. 2-D Active Sipes, which are both variable-width and full-depth, create biting edges to help give you more confidence in rain or snow.

Quiet, Comfortable Ride. MICHELIN® Comfort Control Technology™ uses computer-optimized design and precision manufacturing to offer greatly reduced vibrations and road noise.

Popular Replacement Market Fits:

Lexus GS 430

BMW 745

Infiniti G35

Lincoln LS

The MICHELIN® GREEN X™ marking guarantees a level of energy efficiency among the highest in the market and reduced CO₂ emissions while maintaining all the legendary Michelin advantages of long wear, safety and other performances.
